INTERNATIONAL BUSINESS ENVIRONMENT

McGraw-Hill Education, 2010. Hardcover. Condition: New. First edition. With corporations increasingly assuming transnational and multinational character, and nations continually forging cross-border economic linkages, the knowledge of changing domestic macroeconomic environments of foreign countries and their implications for businesses has become imperative for the successful operation of international business activities. Written by a seasoned economist with rich teaching, research and consulting experience, International Business Environment presents a broad overview of international business environment, international finance and international management. The book discusses:...
